TRIBUTE TO THE CONCORD HIGH SCHOOL GIRLS' LACROSSE TEAM

● Mr. SMITH of New Hampshire. Mr. President, I rise today to pay tribute to the Concord High School girls' lacrosse team, the Crimson Tide, on their fantastic 1999 season.

Remarkably, Concord High School's lacrosse team, which was just established last year, had one of the best records in the state this year. Under the direction of Coach Terry Anderson, this young team compiled an impressive record of 17 wins and only three losses—making it to the state finals.

The Crimson Tide, consisting predominantly of freshmen and sophomores, made great strides this season. Led by team captains Molly Aldrich, Kate Provencal, and Katie Anderson, they had one of the most impressive records in the state. With many of the players returning to play next season, they are sure to remain a strong force in New Hampshire lacrosse.

Although they were not successful in winning the state championship, the team showed true sportsmanship and team spirit in the wake of such an amazing season. Perhaps most importantly, after the hard-fought championship game, the two teams showed outstanding sportsmanship in the sincere way they congratulated and publicly complimented each other on their game. The overall performance of Concord High School's lacrosse team confirmed that this program is one of New Hampshire's finest.

Mr. President, I congratulate every member of the Concord High School Crimson Tide girls' lacrosse team, as well as their coach, Terry Anderson. I wish them luck in the future and in all their following lacrosse seasons. It is an honor to represent these hard-working and talented young people in the United States Senate.●

RECOGNITION OF DR. LIONEL SWAN

● Mr. LEVIN. Mr. President, I rise to honor a legendary figure in the civil rights movement in Michigan, Dr. Lionel Swan. Dr. Swan died last Wednesday at the age of 93, leaving behind a reputation as an extraordinarily effective leader in the struggle for civil rights.

Dr. Swan was a living example of the great things that can be accomplished when you combine determination, courage and dignity. Dr. Swan put himself through college and medical school by doing menial labor during the day. He often related a story of an incident which strengthened his resolve to continue on this hard path to his goal of becoming a doctor. One day, a white man called Dr. Swan "boy" and threw

a cigarette butt on a floor he had just finished mopping. Dr. Swan is said to have responded, "Mister, I want to thank you. I've been debating whether I should leave this job for college and you just convinced me I've got to do it so the next time I see somebody like you, he can't call me boy."

Dr. Swan was able to ignore ugly slights and concentrate on what is most important in life. Dr. Swan went on to graduate from Howard University Medical School and practice medicine in Detroit. He was elected President of the National Medical Association and the Detroit Medical Society, where he led the effort to allow African-American physicians to practice medicine at the former Harper and Grace hospitals. Dr. Swan was also a longtime, active member of the NAACP, helping found the Detroit NAACP's Freedom Fund Dinner which raises money annually for its many worthwhile goals and is one of the largest gatherings in the country.

Mr. President, Dr. Swan was always firm in principle and gentle in demeanor. He let his actions serve as an example to others in the fight for equality and civil rights. I was a great personal fan of his. I know my Senate colleagues join me in honoring Dr. Swan on his life's many outstanding achievements.●

TRIBUTE TO HONOR CAMPTON CONGREGATIONAL CHURCH

● Mr. SMITH of New Hampshire. Mr. President, I rise today to honor Campton Congregational Church which will be celebrating its 225th Anniversary on June 27. The church first organized on June 1, 1774 and has been serving the people of Campton ever since.

The first meeting house was formed in 1770 and the present building has been in use since 1824. The building has been renovated several times but the members have strived to maintain its original integrity. The church's chandelier is also original to the church and its interesting to note that it used whale's oil. The current pastor, Vi Eastman, is the church's 35th pastor and its first female pastor.

As a person of strong religious convictions, I applaud the services and strong sense of family and community that the church has provided to its community. Furthermore, I admire the perseverance of the church's members and their attention to preserving the historical features of the church.

I commend the Campton Congregational Church and wish them luck in the next 250 years. It is an honor to represent the members of Campton Congregational Church in the United States Senate.●
